COST OF SERVICE FOR MASSAGE THERAPY

60 Minutes - \$75

(price includes \$5.09 MN sales tax)

90 Minutes - \$ 110

(price includes \$7.46 MN sales tax)

I promote massage therapy as a service with functional and health purposes. I also want each person to feel like they are receiving and paying for their service without additional expectation. For this reason, I am **NO LONGER ACCEPTING TIPS.**

Please understand that price increases are taken with great hesitation and consideration. This price reflects competitive pricing for my services and does include applicable sales tax on massage therapy; one of the few services charged sales tax in Minnesota, and another reason we should strive to promote massage as a health service.
